

We are in the process of developing the Police Sergeant written and oral interview examination for the City of New Haven Connecticut and are interested in securing the assistance of command-level officers from cities of comparable size and demographics, especially women and minorities, to serve on the interview panel. There will be a \$500 honorarium in addition to reimbursement for travel, meals and lodging. We prefer persons from East Coast and Northeast states if possible in order to minimize transportation costs

The City of New Haven has a diverse community of approximately 200,000 and includes Yale University, one of the oldest universities in the United States, within its borders. The NHPD operates ten precincts, has embraced a philosophy of community-oriented policing and has a complement of 500 commissioned personnel.

We are seeking command-level officers from departments comparable to the City of New Haven for this process. Panel members should have experience in serving either as assessors or as oral interview panel members.

The dates are April 17 (mandatory training) and 18 (oral interviews).

Interested persons should contact me by e-mail (RMA2500@AOL.Com) or by telephone at (708) 444-2326.

Thank you in advance for your co-operation.
